BHARATIYA
2025 VIGYAN
SAMMELAN

Vijnana Bharati (VIBHA) is a national movement dedicated to promoting Swadeshi science, deeply rooted in Bhāratīya thought, knowledge systems, and civilizational ethos. For many years, VIBHA has been committed to bridging the gap between contemporary scientific advancements and India's rich traditional wisdom, fostering innovation that is both contextually relevant and globally impactful. A flagship program in pursuit of this mission is the **Bharatiya Vigyan Sammelan (BVS)**. Since 2007, six such conferences have been held, each garnering widespread acclaim from the scientific community and broader society.

In furtherance of this mission, VIBHA is honored to announce the Bharatiya Vigyan Sammelan (BVS) 2025, scheduled to be held from **26th to 29th December 2025** at the **National Sanskrit University, Tirupati**, in collaboration with premier national institutions. The focal theme of the Sammelan is: "Samagra Vikās kī Bhāratīya Avadhāranā" (The Bharatiya Perspective of Integral Development).

The Sammelan is envisioned as a comprehensive platform for intellectual discourse, knowledge exchange, and the demonstration of innovations across diverse domains, including traditional and contemporary sciences, sustainable technologies, holistic health, ecology, quantum sciences, and indigenous knowledge systems. Significantly, BVS 2025 will prominently showcase the rich cultural heritage of Bhārat, deeply interwoven with Science and Technology.

In view of the national importance of the event and the profound relevance of its theme, we earnestly seek your patronage and blessings for BVS 2025. Your esteemed support would be a source of great inspiration for all stakeholders and would significantly enhance the visibility and impact of the Sammelan.

In this context, a Souvenir with the messages from Ministers of Government of India and Government of Andhra Pradesh, scientific heads of the country, academic leaders, distinguished scientists and academicians, leaders from industry and various social organizations will be published. Furthermore, peer-reviewed selected articles and abstracts will also be published.

Hence, we appeal to you to release an advertisement of your esteemed organization/institution in this Souvenir. We will be grateful if you can oblige our appeal.
